| iPhone 5s     | iOS 11.x   |
| iPhone 5      | iOS 10.3.3 |
| iPad Air 2    | iOS 11.0.2 |

### Information about the JURA Smart Connect:

Please note that the Smart Connect fitted in the coffee machine can only connect either with J.O.E.® or with a Cool Control or accounting system.

If you experience any general problems with the Smart Connect (e.g. a connection problem), it can be reset to the factory setting. Press the reset button of the Smart Connect for around 5 seconds. The LED flashes 5 times to confirm the reset.
